## The “Hawk Cup”:

Going into the 2016 season we have made a couple of changes to “The Hawk Cup” which is now an 11 tournament race for a 20 player playoff at the end of the season. During the 11 regular season events, players will earn points based on their final standings in each tournament. The final tournament standings will be done in a Net Division with each player receiving 75% of his handicap. The “Hawk Cup” events are listed on the tournament schedule with an (\*HC\*) next to the event name. There will be two events that will be considered “Majors” that are listed on the tournament schedule with an (\*HC-Major\*) next to the event name, which will award double the points. In the event of any ties, a match of cards will be done so that all players receive the points for their position. Players will not receive the same amount of points as someone else.

There will be bonus points that you can receive during the season by simply playing in the events. You will receive 25 bonus points if you play in at least two of the six non-Hawk Cup events during the regular season, and you can also earn 25 bonus points by playing in 3 of the 8 Summer Series events.

***Take advantage of these 50 bonus points which could help you make the Top 20!***

At the conclusion of our season, we will have our Hawk Cup Championship which is a one-day, individual competition for the Top 20 players in the Hawk Cup Standings. The Hawk Cup Champion will be the individual with the lowest net total at the conclusion of play. Players will receive 75% of their handicap for this event. The winner will receive “The Hawk Cup” along with a ***FREE One Year Full Golf Membership*** to Hunting Hawk Golf Club that is valid for 2017.
